### Visit Colleges Unofficially– 10th Grade

You know your student the best, so the following talking points are simply a guideline to use in starting a conversation with your 10th grader about visiting college unofficially.

#### Before You Go

- ▶ While we are there, let's take an hour and walk around campus to see what it's like.
- ▶ You may not end up being interested in it, but we can have fun looking.
- ▶ Beforehand, do a little research about the school and see what you would be interested in exploring there.
- ▶ What should we make sure to see?

#### While You Are There

- ▶ What are your impressions of this school?
- ▶ What do you think people like or dislike about it?

#### After You Leave

- ▶ What did you think of it?
- ▶ What is your overall impression and what is it based upon?
- ▶ Could you see yourself at that school?
