Social Media Professionalism – 12th Grade

You know your student the best, so the following talking points are simply a guideline to use in starting a conversation with your 12th grader about the pros and cons of social media usage.

- ▶ Your social media accounts will be reviewed by potential colleges and employers. If they see something inappropriate, they may eliminate you from consideration of scholarships or employment.
- ▶ Your online posts could be forwarded and spread throughout the internet, despite your best intentions and efforts to remove it. Be sure to keep this in mind before posting anything.
- ▶ Never post questionable photos of yourself or anyone else.
- ▶ Decide to post only positive things about other people. Ask them to remove anything about you that is inappropriate.
