### College Credit in High School – 9th Grade

You know your student the best, so the following talking points are simply a guideline to use in starting a conversation with your 9th grader about earning college credit in high school.

- ▶ If you take the right classes, you can earn college credit for free while you are in high school.
- ▶ Let's look through the high school course catalog and see which community college and AP classes you might take to earn college credit.
- ▶ Let's set up an appointment with your school counselor to talk about which classes you might take and when they would fit into your schedule.
