Preparing for College Entrance Exams Takes Time and Effort – 11th Grade

You know your student the best, so the following talking points are simply a guideline to use in starting a conversation with your 11th grader about the necessary steps to take to prepare for college entrance exams.

- ▶ It is worth it to study for the ACT and SAT to assure college acceptance and qualify for academic scholarships.
- ▶ Let's work together to locate prep materials and create a study schedule that you can follow.
- ▶ (If affordable for your family) Should we check into whether or not a local tutor or tutoring service can help?
