Calculating College Costs – 11th Grade

You know your student the best, so the following talking points are simply a guideline to use in starting a conversation with your 11th grader about calculating total college costs.

- ▶ Let's sit down and figure out what the total cost of your college degree will be by using the College Funding Forecaster.
- ▶ Then we need to have a conversation about what we can really afford and how much you can afford to borrow.
